国家项目National Project 中国-上海合作组织国际司法交流合作培训基地

培训基地

中国上合基地于2014年5月20日在上海政法学院奠基揭牌，2017年全面建成。

2013年9月13日，在上海合作组织成员国元首理事会第13次会议上，中国国家主席习近平在题为《弘扬“上海精神”，促进共同发展》的发言中表示，中方将在上海政法学院设立“中国-上海合作组织国际司法交流合作培训基地”，愿意利用这一平台为其他成员国培养司法人才。之后，习近平主席又在上海合作组织2014年杜尚别峰会、2015年乌法峰会上两度重申“中方将依托‘中国-上海合作组织国际司法交流合作培训基地’，协助成员国培训司法人才。”2018年6月，习近平主席出席上海合作组织青岛峰会时宣布，“未来3年，中方愿利用中国-上海合作组织国际司法交流合作培训基地等平台，为各方培训2000名执法人员，强化执法能力建设。”

在中央政法委、国家发改委、最高人民法院、外交部、公安部、司法部、教育部、上海市委、市政府及相关委办局的大力支持和指导下，上海政法学院平稳、有序、高效地推进中国上合基地建设，汇集上海、全国乃至全球范围的资深专家，形成多元、开放、国际化的研究队伍，着力打造以论坛、智库、培训三大功能为主的国家级国际司法合作交流平台。

几年来，中国上合基地已圆满完成公安部、司法部、商务部等部委交办的多项培训任务。在欧亚安全研究、上合组织研究以及“一带一路”研究等领域积极探索，国际影响日益凸显。2015年，最高人民法院在上海政法学院设立“一带一路”司法研究基地；2016年，上海合作组织研究院和“一带一路”安全研究院被评为“上海高校人文社科重点研究基地”；2017年，上海合作组织研究院和东北亚研究中心（一带一路安全研究方向）获教育部批准备案建设“国别和区域研究中心”。

China National Institute for SCO International Exchange and Judicial Cooperation(CNISCO)

CNISCO was inaugurated in May 2014 at Shanghai University of Political Science and Law (hereinafter, SHUPL). It was formally completed in September 2017. The establishment of CNISCO at SHUPL is of great importance, as for the first time a local university in Shanghai is directly serving overall national diplomatic strategies since the establishment of China.

On September 13, 2013, at the 13th Meeting of the Council of the Heads of State of the SCO Member States, Chinese President Xi Jinping delivered a speech titled 'Carrying Forward the Shanghai Spirit' and Promoting Common Development, in which he announced that China will set up CNISCO at SHUPL and is willing to cultivate judicial talents for other SCO member states via this platform. Later on September 12, 2014, at the Dushanbe Summit and on October 7, 2015, at the Ufa Summit, President Xi Jinping reiterated twice that China would assist SCO member states in cultivating judicial talents relying on CNISCO.

On June 10, 2018, at the 18th SCO Summit, Qingdao, President Xi Jinping said China would use platforms such as China National Institute for SCO International Exchange and Judicial Cooperation to train 2,000 law enforcement officers for all parties in the next three years to enhance law enforcement.

Under the active support and guidance of the Committee of Political and Legal Affairs of the CPC Central Committee, the Supreme People's Court, Ministry of Foreign Affairs, National Development and Reform Commission, Ministry of Public Security, Ministry of Justice, Ministry of Education, CPC Shanghai Municipal Committee, Shanghai Municipal People's Government and related committees, offices and bureaus, SHUPL has been making, and will continue to make every effort to build a national judicial cooperation platform focusing on officials training, anti-terrorism and safeguard stability, international exchange, academic research and legal consultation. CNISCO is also undertaking international cooperation research, that is, senior experts in the field of diplomacy in Shanghai, in China or any part of the world are gathered here, leading to the inception of a diversified and open research team and a diplomatic think tank, which has made affirmative explorations on studies on construction of Eurasian security, SCO and the Belt and Road.

Over the years, CNISCO has already accomplished several training tasks entrusted by the Ministry of Public Security, Ministry of Justice and Ministry of Commerce, etc. Research centers of CNISCO are being expeditiously established nationwide. In 2015, the Supreme People's Court found and awarded the Judicial Research Center for the Belt and Road Initiative at SHUPL. In 2016, the SCO Research Institute and the "Belt and Road" Security Research Institute were awarded the title of "Key Research Base for Humanities and Social Sciences in Shanghai Universities"; in the year 2017, the SCO Research Institute and the Northeast Asia Research Center (the Belt and Road Security Research Direction) were approved by the Ministry of Education for the construction of "Country and Regional Research Centers". The international influence of CNISCO has become increasingly prominent.
